The Charles Henderson Middle School and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Every Student Succeeds Act of 2015 (ESSA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

This school-parent compact is in effect during school year 2022-2023

School Responsibilities:

The Charles Henderson Middle School will:

1. **Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:**

Provide student focused and data-driven instruction through the assistance of research based programs and best practices by highly qualified teachers and staff. All activities are focused on raising achievement, where a variety of resources and supports will also be provided to ensure student success.

2. **Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement. Specifically, those conferences will be held:**

School-wide parent conferences are scheduled in the fall and spring of the school year. Individual teacher/parent conferences will be conducted as requested by the parent or teacher. The school will also provide open house opportunities at the beginning of the school year for parents to learn about classroom and school routines and procedures. Workshops will also be conducted to help parents learn of curriculum programs and how they may assist their students at home. Special events such as Parent Teacher Organization meetings, musical programs, awards programs, etc. will be held to encourage parental involvement and to provide recognition to parents and students.

3. **Provide parents with frequent reports on their children's progress. Specifically, the school will provide reports as follows:**

Student progress reports are provided to parents during the midpoint of each grading period and online access to grades are provided online via I-Now on the website.
