

# 8th Grade Instructional Guide

Dear Students,

We miss you! We are heartbroken that we do not get to finish out our school year with you, and our time spent creating memories has been cut short. As we start to manage online learning, we wanted to provide you with a document of important information, which includes a schedule, helpful resources, teacher contact information, and a breakdown of what will be covered. Please use this guide to help you throughout the upcoming weeks. Please be safe, and adhere to the CDC and state mandated guidelines. Make sure to wash your hands, and as always, Go Trojans!

Love,

CHMS Administration, Faculty, and Staff
