## FYI (Field Trip Refunds):

According to Mrs. L. Fannin, the school's bookkeeper: She will need a W9 completed to issue the refund check if you haven't done so already. If you have access to a printer, you can email her and she will email you back with a blank W9. You can then either mail it to her or wait until we return to the school in a month or so to hand deliver the W9. She will NOT be meeting with any parents during this lockdown to accept W9 forms. She checks the post office box several times a week, so she will be the one receiving your W9 if you choose to mail it.

In addition, they are working on processing refunds for field trips that were planned for the spring. As soon as possible, they will notify families via Facebook, the mass call system, and TES website with further information and instructions. We appreciate your patience.

Her email address is: [Fanninl@troyschools.net](mailto:Fanninl@troyschools.net)

The School's mailing address is:

## Extra, Extra, Read All About It! (Digital Books & AR)

### Reading Options & Instructions for Accelerated Reader

There are a few options in locating books to read that your students have access to. The arbookfinder.com site is for you to locate the reading level and availability of AR Quiz. It is not the actual books. The following are digital options for books to read:

1. Troy City Schools Digital Library:  
<http://troy.lib.overdrive.com> They will use their library number to login to Troy Elementary library on the computer. If you need this number, contact me by email [kitchensb@troyschools.net](mailto:kitchensb@troyschools.net)
2. You can also download the Sora App on your devices and use the library number to login. This is the same Overdrive books as mentioned above.
3. Troy Elementary Abdo Digital Library:

Username and password are case sensitive and must be **ALL** lowercase.

## Ms. Perry's Technology Connection Challenge (TCC)

As a way of staying in contact with you guys during our time away from each other, I came up with an idea called the "Technology Connection Challenge". It would mean the world to be able to see and hear from you guys! So, here's what you should do:

- Select one of the methods below.
- Upload and post on Google Classroom or email it to me at [perryl@troyschools.net](mailto:perryl@troyschools.net). Please include your current address along with your entries. I will be selecting a weekly winner and that person will receive a prize from me by mail.

Methods:

- A **Video** 30 seconds or less letting me know how you are doing during our time away.
- A **Picture** of yourself working on your assignment packets, working online or playing outside on a nice sunny day.
- A **Letter** of Expression (EXPRESS YOURSELF) in the form of a typed letter, poem, or song.

Looking forward to seeing and hearing from you soon!

**NOW LET'S SEE WHO'S UP FOR THE CHALLENGE!!**
