

Outside Food Policy

Troy City Schools has a strict policy that **no outside food products** can be brought into the cafeteria/eating areas in the original boxes or bags; for example, Chick-fil-A, Burger King, Sonic, McDonald's, Subway bags or ANY Brand pizza boxes. Items that are pre-wrapped or placed in a non-identifiable container such as a lunchbox will be acceptable.

Carbonated beverages in the original containers are also **prohibited**. It is permissible if they are placed in a thermos or other container in which they cannot be identified. These guidelines should be followed by both students and adults in the cafeteria/eating areas.
